

## **Nothing's Gonna Get Me Down**

Friday I could see the sun grow dim  
Nothing's gonna get me down  
Sunday I will see Him rise again  
Nothing's gonna get me down

Nothing! Nothing! Nothing! Nothing!  
Nothing's gonna get me down  
Sunday I will see Him rise again  
Nothing's gonna get me down

Friday I could taste that bitter defeat  
Nothing's gonna get me down  
Sunday I will taste sweet victory  
Nothing's gonna get me down

Nothing! Nothing! Nothing! Nothing!  
Nothing's gonna get me down  
Sunday I will taste sweet victory  
Nothing's gonna get me down

Friday I could feel that thunder shake  
Nothing's gonna get me down  
Sunday I will feel His peaceful rain  
Falling from those very same clouds

Nothing's gonna get me down!  
Nothing's gonna get me down!

Nothing! Nothing! Nothing! Nothing!  
Nothing's gonna get me down  
Sunday I will feel His peaceful rain  
Nothing's gonna get me down

Nothing's gonna get me down  
Nothing's gonna get me...down!
