

When Heaven Came Down:

You were born to abolish death
In human form made manifest
When heaven came down
And kissed the Earth

Son of Man, Creator God
A new creation was born to us
When heaven came down
And kissed the Earth

When heaven came down
And kissed the Earth

And this is the good news:
Our God became one of us
And this is the good news:
The God of the universe became a man
To stand in the gap for us

When heaven came down
And kissed the Earth

You were nailed to the tree of life
And all creation was justified
When heaven came down
And kissed the Earth

Son of man, Redeemer God
The Holy Spirit was sent to us
When heaven came down
And kissed the Earth

When heaven came down
And kissed the Earth

And this is the good news:
Our God became one of us
And this is the good news:
The God of the universe became a man
To stand in the gap for us

When heaven came down
When heaven came down
When heaven came down

And kissed the Earth

Oh...

When heaven came down
And kissed the Earth
When heaven came down
And kissed the Earth

When heaven came down
And kissed the Earth
When heaven came down
And kissed the Earth

Oh...
