

**You are Love:**

Show us how to love you more  
Show us how to love you, Lord  
With our hearts, With our minds  
With the cross before our eyes

We realize...  
You - are - Love  
You - are - Love

Show us how to love each other  
Show us how to love our neighbor  
With our hearts, With our minds  
With the cross before our eyes

We realize...  
You - are - Love  
You - are - Love

You are a part of us  
You are a part of us  
You are a part of us  
We are Loved

You - are - Love  
You - are - Love  
You - are - Love

You are a part of us  
Never apart from us  
You are a part of us  
We are, We are...

We - are - Loved
